As communities evolve so do their needs. That's why we work closely with non-profits to better understand the local challenges. Since projects are determined closer to your actual program date, here's a glimpse at what a typical day might look like.

- Each morning, begin your service project with children in a nearby village.
- Spend afternoons immersed in cultural activities.
- Evenings are a chance to reflect, discuss events as a group, and draw connections between the day's work and relevant global issues.

#### Day 7: Mangrove tour or hike

- Explore a mangrove forest by boat with your expert local tour guide or take a guided hike on the beautiful north coast.

#### Day 8: Depart for home
